

Be Your Own Boss!

Business In a Box

This is your opportunity to see if a Brother® multi-needle machine is in your future.

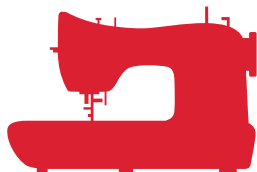

Brother® Representative Paulette Bell will be here to show you all the wonderful features that these machines have.

We will show you the most innovative 10, 6 and single needle Home and Small Business embroidery machines in the market. These machines have some of the most powerful design and editing capabilities ever built into a multi-needle embroidery machine. Just when you think you've reached the limits of creative freedom, look again....

We will also show you how to be your own BOSS! Choose your level of initial investment and use our helpful guides to market to your customers and earn revenue.
