

Altering a Pattern Supply List

Supplies:

- Pattern to alter in your size range*
- ½ yd pattern tissue OR roll of freezer paper
- Scotch tape
- Marker and/or pencil Several different colors helpful
- Tape measure
- French curve or similar curved ruler
- Scissors

* please choose a pattern that is at your sewing level. It can be whatever you'd like, top ,skirt, or dress (not pants) but we will alter the pattern for one view only as time allows. Make sure your pattern is in your size range according to your measurements. We will not be scaling the entire pattern up or down, rather tweaking it to best fit you.
