

## Machine Basics

Join talented McDougal Team members for a “get acquainted” sewing machine mixer. The goal of this guide class is to provide you with the information and knowledge needed to get the most from your sewing machine.

What we cover”

- Machine navigation (where is that stitch!)
- TNT (Threading, needles, and tension adjustment).
- Teach you how to use your machine with confidence.

### **Student Supply List**

- ✓ Your sewing machine with foot control and power cord
- ✓ Owner's Manual
- ✓ All presser feet and accessories that originally came with the machine, including bobbins and spool caps
- ✓ Scissors
- ✓ Empty bobbin
- ✓ Notepad and pen or pencil

Thread and Sample Fabric will be provided by McDougal Sewing Center
