

Zipper Bag in the Hoop

Do zippers scare you? If you have an embroidery machine then you can quickly conquer your fear and learn how to make a zipper bag in the hoop? This class will teach you the basics. You will make 2 bags, one that is basic and then one you will learn how to personalize. You will need a machine that has a 6 x 10 hoop or larger and a way to access designs either via USB or direct download. You must know how to thread and hoop your fabric.

Supplies:

- machine with embroidery unit, embroidery foot, and 150 x 240 hoop (6 x 10) or larger
- Fabric for 2 bags- medium wt. Cotton recommended.
- zippers no show Nylon
 - 2- 2 ½ x 10
 - 2- 6 x 10
 - 2-8 ½ x 10
 - 2- 12”
- mesh stabilizer
- embroidery thread for lettering and embroidery
- bobbin thread spool of regular sewing thread to match your fabric
- pink perfection tape
- sharp trimming scissors

All supplies other than fabric and zippers are available at McDougals. Purchase on class day and receive your class discount.
